Introduction

The purpose of this policy is to set out clear procedures for the maintenance of the school inventory. These procedures satisfy the requirements of internal audit and protect the interests of staff and governors by defining decision processes concerning the disposal of assets

General Procedure

The Governing Body is responsible for the stewardship of the school's assets as well as maintaining the security, at all times, of the school buildings, furniture, equipment etc. The school ICT support staff have the day-to-day responsibility for managing these assets.

1.1 The register contains: all new and disposed-of equipment:

- ✦ Asset tag number
- ✦ items with a value in excess of £1000
- ✦ portable, desirable, high-value items (laptops/chromebooks and tablets/iPads)
- ✦ date of acquisition;
- ✦ description, and serial number if applicable;
- ✦ original purchase cost;
- ✦ location of item;
- ✦ details of disposal or write-off.

1.2 The register forms part of the school's financial assets and only staff designated by the Headteacher have access to it.

1.3 All new items added to the asset register should be security-marked by either the ICT Support staff, Strategic Business Lead or Site Manager. Items that are security marked should not be moved to another location without updating the register.

1.4 The school's Strategic Business Lead is responsible for ensuring that an annual asset check is completed, which is reported to the Site and Financial Management Committee. Any discrepancies including lost, stolen and damaged equipment will be promptly investigated in line with this policy and the Write Off Policy.

1.5 If items are not located at the annual stock check, the following actions should be taken:

- a) Complete annual stock check
- b) Email all staff and discuss at staff meeting(s)
- c) Email individuals who had responsibility for the item previously
- d) Record the item as 'missing' on the stock check record and continue to look.
- e) If it is still missing at the end of the next annual stock check it will be written off.

1.6 School property should not be removed from premises without permission of the Headteacher. All ICT items on loan should be signed in and out using the Becontree ICT device/ equipment loan agreement forms (see Appendix A & B). There is a record sheet for signing-in/out non-ICT items that are taken off-site (see Appendix C).

Disposal of Equipment

The Governing Body has the authority to declare equipment, furniture or any other assets or stores, surplus to requirements and to arrange for their sale or write-off, provided the items concerned were purchased in full or in part from its delegated budget. (land and buildings are always excluded from this authority).

- 2.1 Where the estimated disposal value of surplus or redundant assets (equipment or stores) is less than £250 and sale is to be by public auction or competitive tendering, authority for disposal can be given by the Headteacher.
- 2.2 The prior approval of the Governing Body is required where:
- ✦ the estimated disposal value is between £250 and £500;
 - ✦ the sale is not to be by public auction or competitive tendering.
- 2.3 A list of equipment disposed of will be presented to the SFM Committee annually. This list will show, so far as may be known, the item, location, date of manufacture or purchase, values when new and when made redundant (estimated where necessary) and disposal value.
- 2.4 The school's inventory will be amended to show disposals and such entries will be endorsed by the Headteacher.
- 2.5 The net income from the sale of surplus or redundant assets or stores purchased from the school budget will be credited back to the school budget.
- 2.6 The school will dispose of all surplus ICT equipment in a manner which prevents the transmission of personal data, infringement of licenses or copyright, is cost effective, and which complies with both environmental requirements and the United Kingdom Directive on Waste Electrical and Electronic Equipment (WEEE).

Monitoring and Review

This policy will be monitored by the SFM committee and reviewed annually.

Appendix A

Becontree Primary School ICT device/ equipment loan agreement form (for staff).

The Headteacher has agreed to loan device/s to you while you remain employed at this school. This

loan is subject to review on a regular basis, and can be withdrawn at any time. As a member of staff to whom school equipment has been loaned I have read and agree to the following terms and conditions that apply while the device/s detailed overleaf are in my possession:

1. The device/s and any accessories provided with it, remains the property of Becontree Primary School and is strictly for my sole use in assisting me to fulfil my role.
2. I agree to treat the school devices/s with due care and will not leave it unattended in class without being secured.
3. Should any faults occur, I agree to notify the school's ICT staff as soon as possible so that they may undertake any necessary repairs. Under no circumstances should I, or anyone other than ICT staff, attempt to fix suspected hardware, or any other faults.
4. I agree that home Internet access is permitted at the discretion of the Headteacher. I understand the school will not accept responsibility for offering technical support relating to home Internet connectivity.
5. I agree that any telephone/broadband charges incurred by staff accessing the Internet from any site other than school premises are not chargeable to the school.
6. I understand insurance cover provides protection from the standard risks but excludes theft from a vehicle. If the equipment is stolen from an unattended vehicle or a house left unattended for longer than 48 hours, I will be responsible for its replacement.
7. I agree to adhere to School and LA policies regarding the following, updated as necessary:
 - Acceptable Use;
 - Data **Protection** Act 2018;
 - Computer Misuse;
 - Health and Safety;
 - Staff code of conduct;
 - Safeguarding

Note on Insurance

For ICT equipment to be covered automatically under the school's policies at no extra charge, they need to be included on the school's inventory. The standard All Risks insurance policy covers the ICT equipment for theft (where there are signs of forced entry), and accidental or malicious damage. Those Schools who have opted for the additional Buildings and Contents policy will also receive cover for flood/water damage, storm damage etc. All equipment in Schools is automatically covered for fire, lightning and explosion.

ICT equipment are not covered by the school policy:

- Whilst in vehicles,
- Left unattended in a locked household over 48 hours.

Any theft should be immediately reported to the police and a crime reference number should be obtained and provided to ICT staff. If stolen or damaged from an employee's home, County would first ask for a claim under the staff member's household policy. Claims from the School policy will only be made if this were unsuccessful.

Please note that regardless of the policy stolen ICT equipment is claimed under, a claim will not be considered unless there are signs of forced entry or assault.
