Equality Mission Statement

We are committed to ensuring equality of educational opportunity and support for all pupils, parents, carers, staff and visitors irrespective of age, sex, race, disability, religion or belief, sexual orientation, pregnancy, gender reassignment, and socio-economic background. We aim to provide a fully inclusive school in which every person feels proud of their identity and is able to participate fully within the school community. We believe that a diverse school community is a strength which should be respected and celebrated by all those who learn, teach and visit here.

What are my rights?

The right to
be treated
fairly.

The right
to a
childhood.

The right to
be
educated.

The right
to be
healthy.

The right
to be
heard.

The right to be
protected from
being hurt.

Our school has a safeguarding policy for staff, families and governors. This child friendly policy is designed for you.

We created this policy to help you to decide what could be a problem and where to get help and support. There may be times when you want to talk to someone in school about a problem that might be upsetting you.

You can talk to **any adult** in the school but we have staff in school who are especially trained to help you. It is important that you know who these people are.

Mrs Stock is the Designated Safeguarding Lead (DSL) and is one of the adults you can talk to.

Mrs Stonier is also in the Safeguarding Team and is also another adult you can talk to.

Mrs Ziane is also in the Safeguarding Team and is also another adult you can talk to.

The Safeguarding poster in your classroom also tells you who some of the adults are that you may wish to talk to if you have a problem.

There are four main areas of Child Protection Concerns:

Physical Abuse: - hitting, smacking, shaking, throwing, burning, biting etc.

Sexual Abuse: - sometimes, people might try to do things that aren't okay. This doesn't just mean touching—it could also be someone showing you things that make you feel uncomfortable or asking you to do something that doesn't feel right.

Remember **PANTS**:

Privates are private

Always remember your body belongs to you

No means no

Talk about secrets that upset you

Speak up, someone can help

Neglect: - this means things like not providing meals or warmth or clothing. Or perhaps not taking you to the Doctors when you need to go. There may be lots of different reasons why a child is neglected, and it is really important that we know so we can help.

Emotional Abuse: - This means when someone upsets you or makes you feel bad. If someone in your family says horrible things to you and makes you feel sad and worthless.

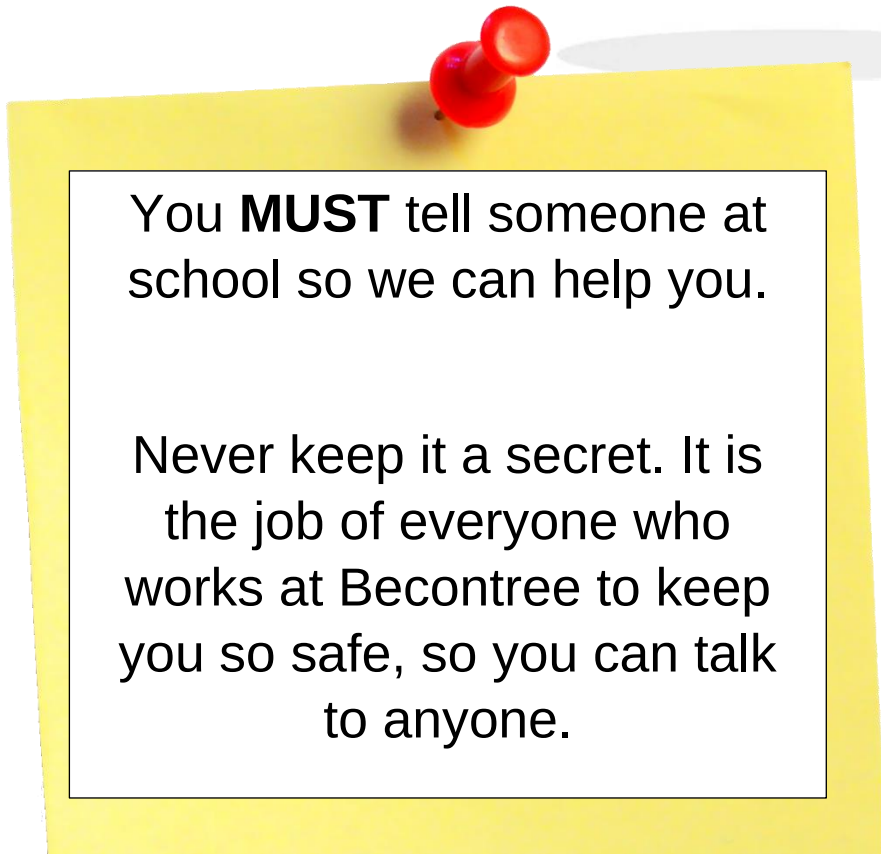

Have you heard
something that has upset
you?

Has someone touched you
on part of your body that
made you feel
uncomfortable?

You **MUST** tell someone at
school so we can help you.

Never keep it a secret. It is
the job of everyone who
works at Becontree to keep
you so safe, so you can talk
to anyone.

There are a number of different places outside of school that can help you.
