1. Display poster's, from the competition, in the KS2 toilets.
2. Discussed next steps - raise money for school council to promote privacy and expectations.
3. We then looked through a few ideas of posters and activities that can be displayed in the toilets to distract children from misbehaving.
4. Create individual posters to display in the toilets.

Action: Complete individual posters and wait for a reply from Mr Peacock.

Next session: Children to write a letter to give to parents explaining the idea to raise money for school council.
