

School Council Minutes

Date: Thursday 21st January 2016

Venue: Room 13

Focus: Show final product and explain next steps.

Minutes

Apologies:

Minutes taken by: Miss Amner

1. Give children ten minutes to look at the completed table runners and enjoy their creations.
2. Explain to children at the next school council meeting they will be given a questionnaire that they will complete in class. The school councillors will be in charge of arranging an appropriate time to complete the questionnaire. The questionnaire will give us ideas on how to improve our product.

Action: Looking at our final product, how could we improve it?

Next session: Give out and explain class feedback questionnaires.
