

School Council Minutes

Date: Thursday 19th November 2015

Venue: Room 13

Focus: Create table runners for healthy packed lunches.

Minutes

Apologies:

Minutes taken by: Miss Amner

1. Reminded each other about our table runner ideas and what information will be stated on each. Each table would be different so every week the children will have different facts and games to play and learn whilst eating.
2. Children spent an hour and a half creating different games such as word such as, spot the difference and alphabet games, all based on healthy eating.

Action: Creating games and researching facts.

Next session: Stick and colour sheets which then need to be stuck on the table runners.
