Coronavirus-Themed Debate Questions

No.	Questions
1.	Now that you've been learning at home for a while, do you think you learn better at school or at home? (Please select one option per question)  I learn better at school  I learn better at home  It's about the same  I'm not sure
2.	What is the best activity to do during this time at home?  Reading more books  Video-calling friends and family  Getting ahead on schoolwork  Watching movies  Talking to friends on social media
3.	Because of Coronavirus, the whole world is working towards the same goal but social distancing can make people feel lonely. Do you feel more or less connected to your community right now?  More, people are helping each other  More, technology helps people connect  Less, I can't see my friends in person  More in some ways, less in others

Well Done!
