Coronavirus-Themed Debate Questions

No.	Question (Please select one option per question)
4.	UK Government has decided to fine people for not following their social distancing policy. Is this fair?   
5.	The Government has said we need to stay 2 meters apart from people when shopping. How many toilet rolls, laid side by side, make up 2 meters?     15 rolls 20 rolls 25 rolls 30 rolls
6.	Epidemiology is counting how many people become ill and showing why some people become ill and some don't. Why do you think that's important?     So we can help fewer people become ill To know what cures for illness are real To find out what causes illness I don't think it's important

Well Done!
