The image shows a computer screen with a Google search interface. The search bar contains the text "classroom google". Below the search bar, the search results are displayed, with "classroom google" being the top result. A virtual keyboard is overlaid on the bottom of the screen, and a news snippet about "Trump: Iran warns of..." is visible on the left.

Sign in

You will be prompted to *Sign in*.

Type in your school email address (ending in
@gsuite.becontreeprimaryschool.com)

Then click *Next*

Below this is a text input field labeled 'Email or phone' with a cursor inside. To the left of the field is a link 'Forgot email?'. Below the field is the text 'Not your computer? Use InPrivate windows to sign in.' with a link 'Learn more'. At the bottom left is a link 'Create account' and at the bottom right is a blue 'Next' button.

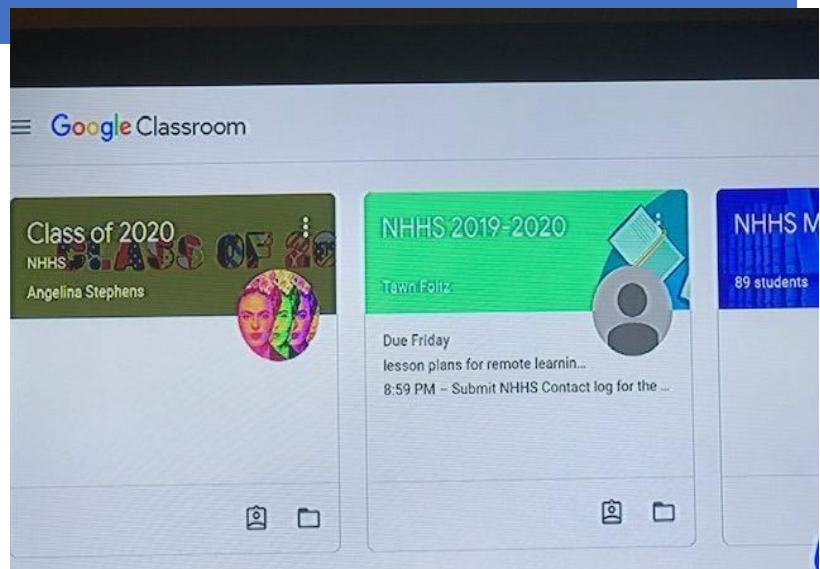

Type your school email and password
again (into the LGfL site)

A screenshot of the LGfL sign in page. The title is 'Sign in with your organizational account'. There are two input fields: the first contains 'jenni' and has a small 'X' icon to its right; the second is labeled 'Password'. Below the fields is a blue 'Sign in' button. At the bottom, a portion of a keyboard is visible, showing keys for numbers 5 through 0 and function keys. To the right of the keyboard, some text is partially visible: 'credentials to access', 'er', and 'at or your email'.
