

Year 4 Home Learning Ideas

Spring B 2026

These optional Home Learning ideas are linked to the learning areas covered this half term.

Be an author...

- On 5th March 2026, it is World Book Day. It is a chance to celebrate all the fantastic books that have been written to entertain us.
- Now, it is your chance to be an author and write your own story. It can literally be about anything that interests you-so be creative.

Be a historian ...

- In history, we will be learning about the Ancient Egyptians.
- Find out about this period of time and then record some of the information.
- You could make a booklet, leaflet or a poster.

Be an artist...

- In art, we will be making masks using clay.
- Can you design and make your own animal or superhero mask using materials that you have at home?
