

Year 2 Home Learning Ideas

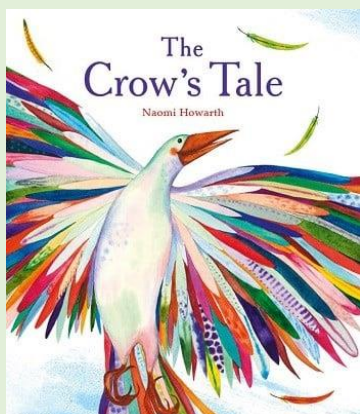

Spring A 2026

These optional Home Learning ideas are linked to the learning areas covered this half term.

Be an Author...

We will be reading 'The Crow's Tale' by Naomi Howarth.

- Can you describe the Crow in the story?
- Read another book by Naomi Howarth.

Be a Mathematician...

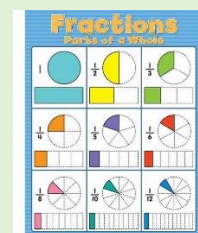

We will be learning how to tell the time using five minute intervals.

- Practise telling the time using different clocks.

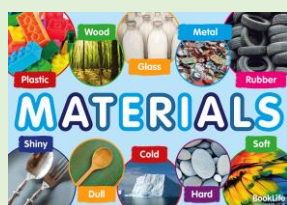

We will also be learning about fractions and how we can use division to help us.

- Can you draw some fractions of a circle? Half, quarter, three quarters?

Be a Scientist...

- We will be learning about materials and how some are suitable for one purpose but not another.
- Can you find some objects around your house and say what material they are made from? Have a think about why that is a good material for that object.

Be an Historian...

- We will be learning about the Plague and the Great Fire of London.

- Can you find out when the Plague and The Great fire happened?
- Write a list of facts on what you find out about the Plague and the Great Fire of London.
