

Year 1 Home Learning Ideas

Autumn B 2025

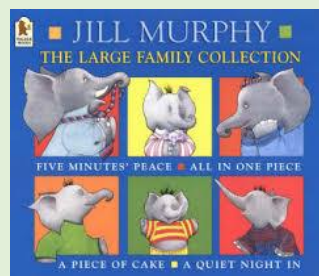

These optional Home Learning ideas are linked to the learning areas covered this half term. Children will be rewarded with Respect tickets for handing in completed tasks or evidence of home learning completed e.g. photographs, emailed to class teachers via the school office.

Be an Author...

We will be reading stories written by the author Jill Murphy, such as 'On the way home.'

- Retell the story 'On the way home'.
- Draw a picture of your favourite character and describe them.
- Create a fact file about Jill Murphy. Use this website to help you.

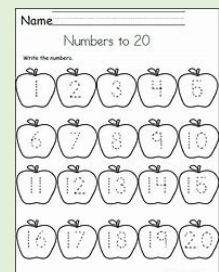

<https://www.jillmurphy.co.uk>

Be a Mathematician...

We will be learning to represent, compare and explore numbers from 10-20. This will include addition and subtraction.

- Practice writing numbers 11-20.
- Practice counting sets of objects in one's, two's and ten's.
- Continue learning number bonds for numbers 4-10.

Be a Reader...

- Can you challenge yourself to read at least 3 times a week for the whole half term?
- Write a book review of your favourite story.

Be a Geographer...

- When walking or travelling, make a tally to show different human and physical features.
- Make a plan to show the different rooms in your home.
