

Becontree Primary School

Governing Body Action Plan Academic Year 2025-26

Overall aim: To ensure leadership and management of the school is highly effective in all areas.

The significant role that governors play in school improvement and improving outcomes for children is clearly identified within the school's Strategic Plan. In addition to this, Governors have their own Action Plan as detailed below.

Priority	Action / Tasks	Cost Implications	Responsibility	Time scale	Success Criteria	Review
Ensure staffing model is financially sustainable.	- Develop a strategic financial plan to ensure staffing model is sustainable in future years. - Monitor implementation and progress towards agreed targets and actions within the strategic plan.	SFM Meeting time FGB Meeting time	ALL governors/SFM Committee	December 2024 Termly	The school avoids a deficit budget and forecasts evidence that staffing is sustainable. Children continue to have access to high quality education (including enrichment) in a safe environment.	
Leadership and governance is judged as strong or better at the school's next Ofsted.	Complete the following NGA training: - Self-Evaluation exercise to identify priorities. - Holding to Account - New Ofsted framework (external provider to be sourced) In light of the above training: - Review and implement current Governor visit and monitoring arrangements Evaluate impact of any new approaches.	FGB Meeting time External training provider cost. Release time for leaders	ALL governors ALL governors and LMT	December 2025 December 2025 Summer term 2026 Spring and Summer term 2026	Governors: - understand the requirements of the new Ofsted Framework; - fulfil all statutory duties, including holding leaders to account; - have a full understanding of the school's strengths and areas for development from first hand experience of the school in action.
