

Good Morning Everyone,

I couldn't believe what I found when I arrived at nursery this morning. That cheeky elf has been up to no good again, but this time he has gone too far...

I came in to find the elf with a pen in his hand after tearing out the pages and doodling all over the photos in our class floorbook! 😞 I had to get a quick photo to show you all.

Mrs Warwick and I tried to catch him, but he is just too quick! Before we knew it, he had jumped up and climbed along the string and pipes in our nursery, before jumping out of the window again!

We really have got to catch this cheeky little elf before he causes any more trouble in our school! Please keep looking for him!

Mrs Dean
