

Oh golly goodness boys and girls I really need your help.
The ARP planned birthday celebrations for Miss Edlin and the naughty elf has ruined them.
She is so upset.

Last night we laid out a cake, balloons and banners, all ready to surprise Miss Edlin this morning but look what I found when I came in this morning...

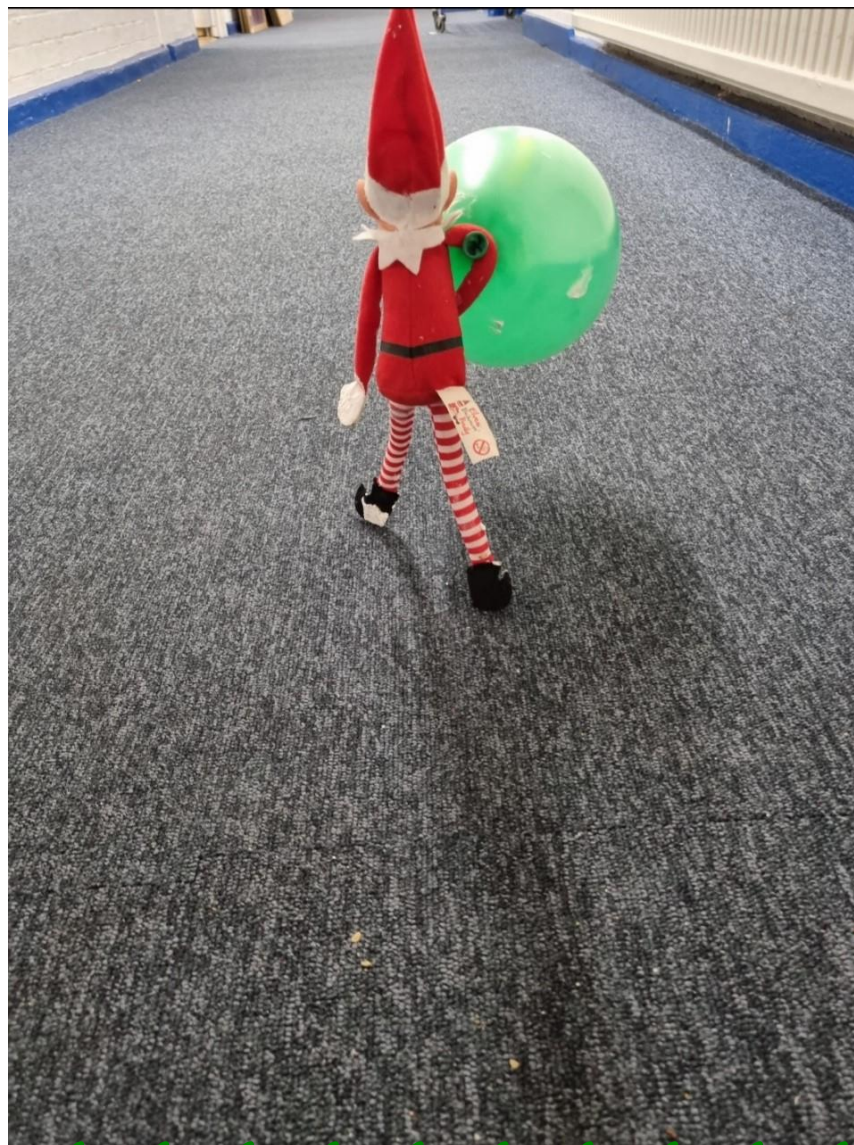

The naughty Elf was eating Miss Edlins cake and had ruined her decorations! I tried to catch him but he did something so disgusting I couldn't bare to look!

Then just like

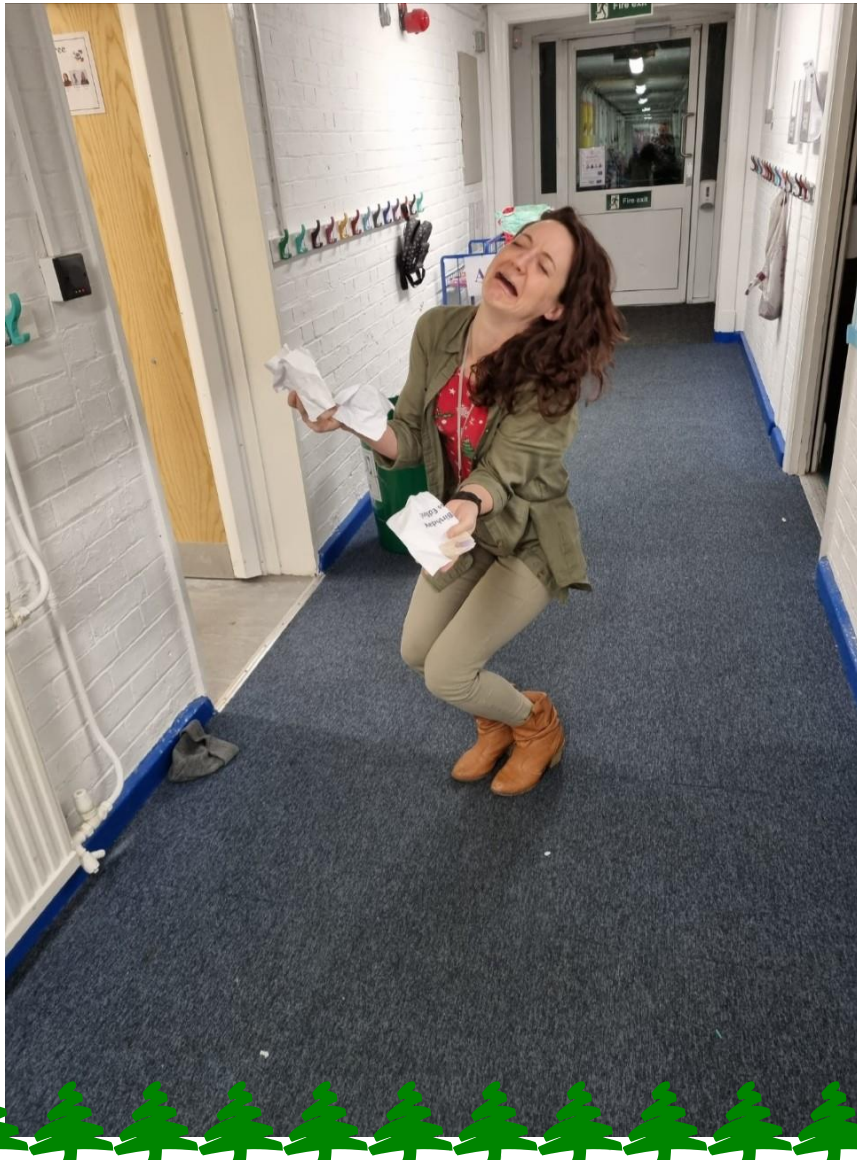

Then just like that he ran out of the ARP! I tried to chase him but he was too quick.

As I was looking for him, I kept spotting balloons and ripped banners around the school, he must be close. Please keep looking incase he's hiding in your class.

Please help find the cheeky Elf, Miss Edlin was so upset when she came into school this morning and her birthday celebrations had been ruined.

Boys and girls lets find this mischievous Elf and stop all the chaos his causing and if you see Miss Edlin please wish her a big happy birthday so we can cheer her up 🐼

**Thank you,
Miss Hoad**
