

Tuesday 29th April  
My witch's story

One dark and gloomy night.  
I was invited to a party. I  
wore my best party clothes.  
I wore my purple ripped dress,  
my purple spotty bow and  
my dark black shoes. With  
my stripy cat on the back  
of my broomstick. I was  
flying to the party. ✓

30.4.25 I had to fly through the  
spooky forest that had tall  
green trees, cold blue rivers

and a huge dark swamp  
full of toads with horrible  
bubbles like green toad  
soup. ✓

I felt <sup>excited</sup> excited and worried.  
I was so excited to go  
to the party ~~because~~  
to see my witches  
friends. Also I loved witch  
party games because they  
are so much fun. I was  
feeling a <sup>little</sup> little bit worse  
on the way to the  
party. ✓

5-25 \* It was a very stormy  
~~night~~ and windy day. It  
was raining so fast that  
I got <sup>soaking</sup> soaked wet and  
the wind blew to my  
broom away then it had  
a little crack in it. It  
was starting to break.

Suddenly my broomstick

Made a huge SNAP!  
My broom broke in half  
and me and my cat fell  
down into a huge green  
bush. It made a huge  
SPLAT! ✓

7.5.25 Help! Help! I cried out  
loud. I was hoping that  
someone will rescue me.  
I tried to get out but  
my foot was stuck in  
the tangle! I was worried  
I wouldn't make it ~~into~~  
the party <sup>on</sup> time. Then  
I saw <sup>something</sup> Suff-A-B! It had  
two big yellow eyes, black  
sharp claws and shiny wet  
nose. It was a bear. I  
quickly sent a signal  
to my witches friends\*  
to tell them to bring  
my wand. When they arrived  
stripy the cat passed  
me my wand. Then I <sup>put</sup> putted  
a spell on the bear.

ME and my friends untangle  
me in the bush and they  
putted a spell on me  
to make me some new  
party clothes. Then we  
fixed my broken broom  
stick. Then we went  
to the party <sup>with</sup> my  
cat and my friend.  
We had such a good  
time at the party.  
We also swaped <sup>other</sup> spells  
with each other. ✓
