

Oh no! They're back!

NAUGHTY ELVES
2024

July 2024.....

I really thought those elves had left our school for good, never to return! Do you remember when we put them into Mr Cairns' suitcase when he left Becontree, last year?

Well...

Elf Mail

Monday 2nd December 2024

I received an email from the Naughty Elves providing me with an update on their adventures during the year!

Wait until you see some of their holiday photos....cheeky Elves!

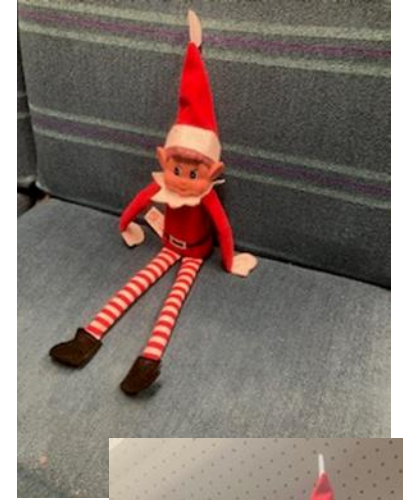

Elf Travel Log

Can you believe that they travelled all by themselves on *a cruise ship, an aeroplane, a train, a coach and a bicycle* to come back here?

I know, I didn't believe it either, until I saw these photos!

Promise of good behaviour

In their email, the Elves have promised me that they are reformed characters and know how to behave in line with our school motto of Respecting One Another.

They told me that they remember watching all of you behaving so well last year and have thought long and hard about how they can behave just like you! Fingers crossed that they are telling the truth. I want to believe them but because they have told so many lies and behaved so badly in the past that I am worried.

Caught on camera!

Maybe they have changed! These photos were found on the school cameras.

What do you think they will be....nice or naughty? Let's wait and see...
