It was his big chance to make his team proud. He looked at everyone and saw his parents. Everyone shouted, "You can do it!" to Jamie except Skimmond, who was yawning in the middle of the cheer. Jamie closed his eyes and took a deep breath while everyone cheered for him. Skimmond ran to Jamie and looked at him in a smug way. "You'll never ever get a goal, so don't do it, you worm." But Jamie didn't listen, he ~~conce~~ concentrated and opened his eyes. He took a moment and finally kicked the ball, in three, two, one.

Goal!! Jamie was shocked, and surprised and ecstatic, he ~~jump~~ jumped, his friends jumped and hugged Jamie. Skimmond was happy for the goal but not happy that Jamie goalied because he thinks that he's the best. The football coach was very delighted with Jamie Johnson. "Jamie Johnson goalied, Kings men got the point!" said the captain loudly. They did it again but somehow Skimmond got the ball. "Ah! See, I'm better than you so move away, you stupid lizard." Skimmond pushed Jamie over.

"We'll see about that, jerk." Jamie replied back confidently that he will get the ball on his feet. Skimmond dribbled with the ball but surprisingly, clever Jamie Johnson tricked Skimmond and took the ball away. "Told ya, I will get the ball." Jamie said happily. When he was dribbling the ball, he saw his friend waving at him trying to get the ball so Jamie passed it to his friend but then when

he tried to goal... he didn't goal. Everyone got disappointed ~~to~~ and Jamie was unhappy. "It's break half time!" Shouted the captain. The football coach was sad because they didn't goal, they got in a circle and talked, "We have to win this, it's our last score." said the coach, so the team ~~by~~ tried to work harder. Later, the half time was finished and Jamie was dribbling the ball and passed it to Skimmond. He dribbled when he was closer to the goal keeper so he kicked the ball... Goal!!! They got the last goal! "Kings men win the football match!" yelled the captain. Jamie couldn't believe that his team won.

Everyone goes to their parents and Jamie was super proud. "Well done Jamie, I'm really happy with you." said his mum joyfully. Skimmond came to Jamie. "I think... I'm... s-o-r-r-y." said Skimmond speechlessly. "Oh, it's fine, well... want to be friends?" Jamie said happily. Skimmond shooked him and said "Yeah, we should if we're good." Skimmond said hugging him, "Now, we'll not say anything bad, okay?" "Right." Jamie laughed and they took a selfie in Jamie's phone.
