

The Naughty Elves

Tuesday 19th December

Children, something strange
has been happening in the Zen
Den all last week.
It has been so cold and Mr
Allen has been telling us off for
turning the heating off.
Mr Allen did not believe that it
was not us ☹️
Look who we found playing
with the heating this morning!

You will not believe what happened next!

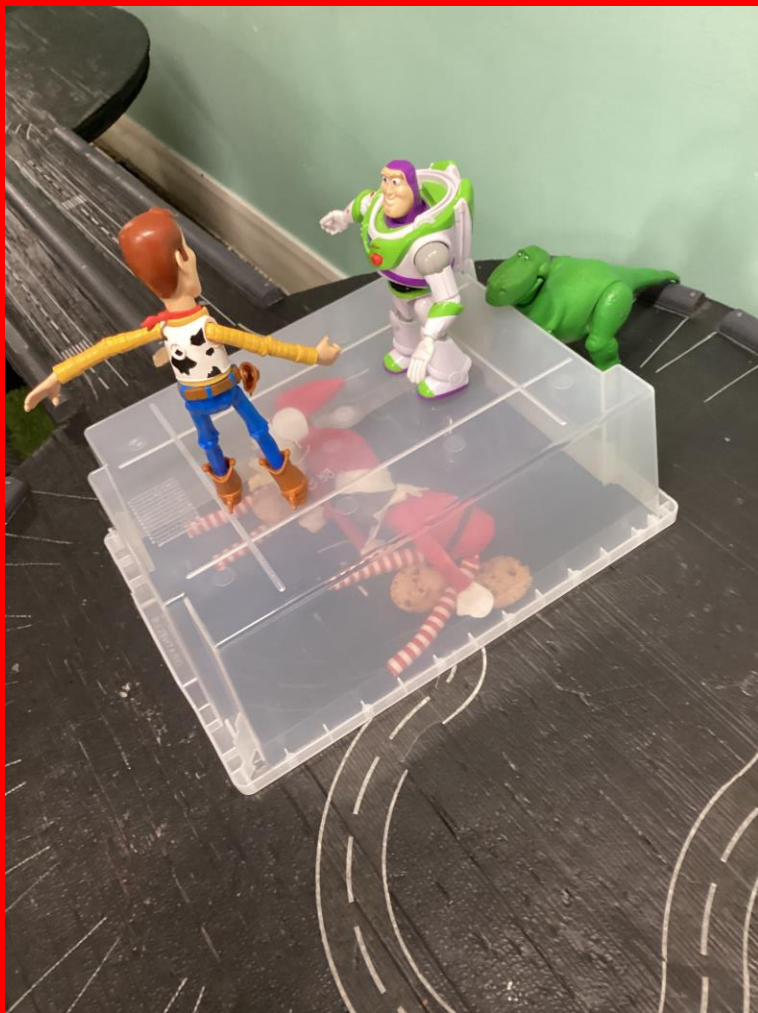

Buzz Lightyear, Woody and Rex jumped out of the cupboard to help catch them.

We really thought we'd got them.

Miss Cawdron, Miss Flatman and Mr Chapman shouted at them and they run right into the trap that we've been setting every night.

FINALLY!!!!!!

Buzz and Woody tied them up and was about to take them to Mrs Ziane when....

In a puff of glitter, the Elves broke free and tied up Buzz and Woody.

Rex was so scared he run away.

Miss Cawdron, Miss Flatman and Mr Chapman tried to catch them but they were too fast.

They run out of the door and towards the garden door.

As if by magic, a balloon was waiting for them outside in the garden.
They both hopped into the balloon and away they went.

They were last seen heading in the direction of Mrs Ziane's office.

Mrs Ziane, keep an eye out of your window. They were chanting "Get Ziane, Get Ziane"
