A Thank-you poem from Lucretia

Thank you NHS

To all
Have
A
clap
and
an
applause
to the
NHS
doctors
is helpful
Now
because
they
are
helping
us
we
should
protect
the
NHS
Keeping
your
family
at
home
is
your
job
not
the
police
is
job

Yet
you
shall
know
to
stay
at
home
Only
if
it's
urgent
you
can
go
Using
different
medicines
is
hard
for
doctors
to
keep
us
alive

Nurses
and
doctors
are
working
days
and
nights
Hospitals
are
now
filled
with
sick
people
So
please
save
lives.

To all doctors that have tried hard
Have kept most people healthy
A clap and an applause to the NHS
doctors is helpful

Now because they are helping us we
should protect the NHS

Keeping your family at home is your
job not the police is job

Yet you shall know to stay at home
Only if it's urgent you can go
Using different medicines is hard
for doctors to keep us alive

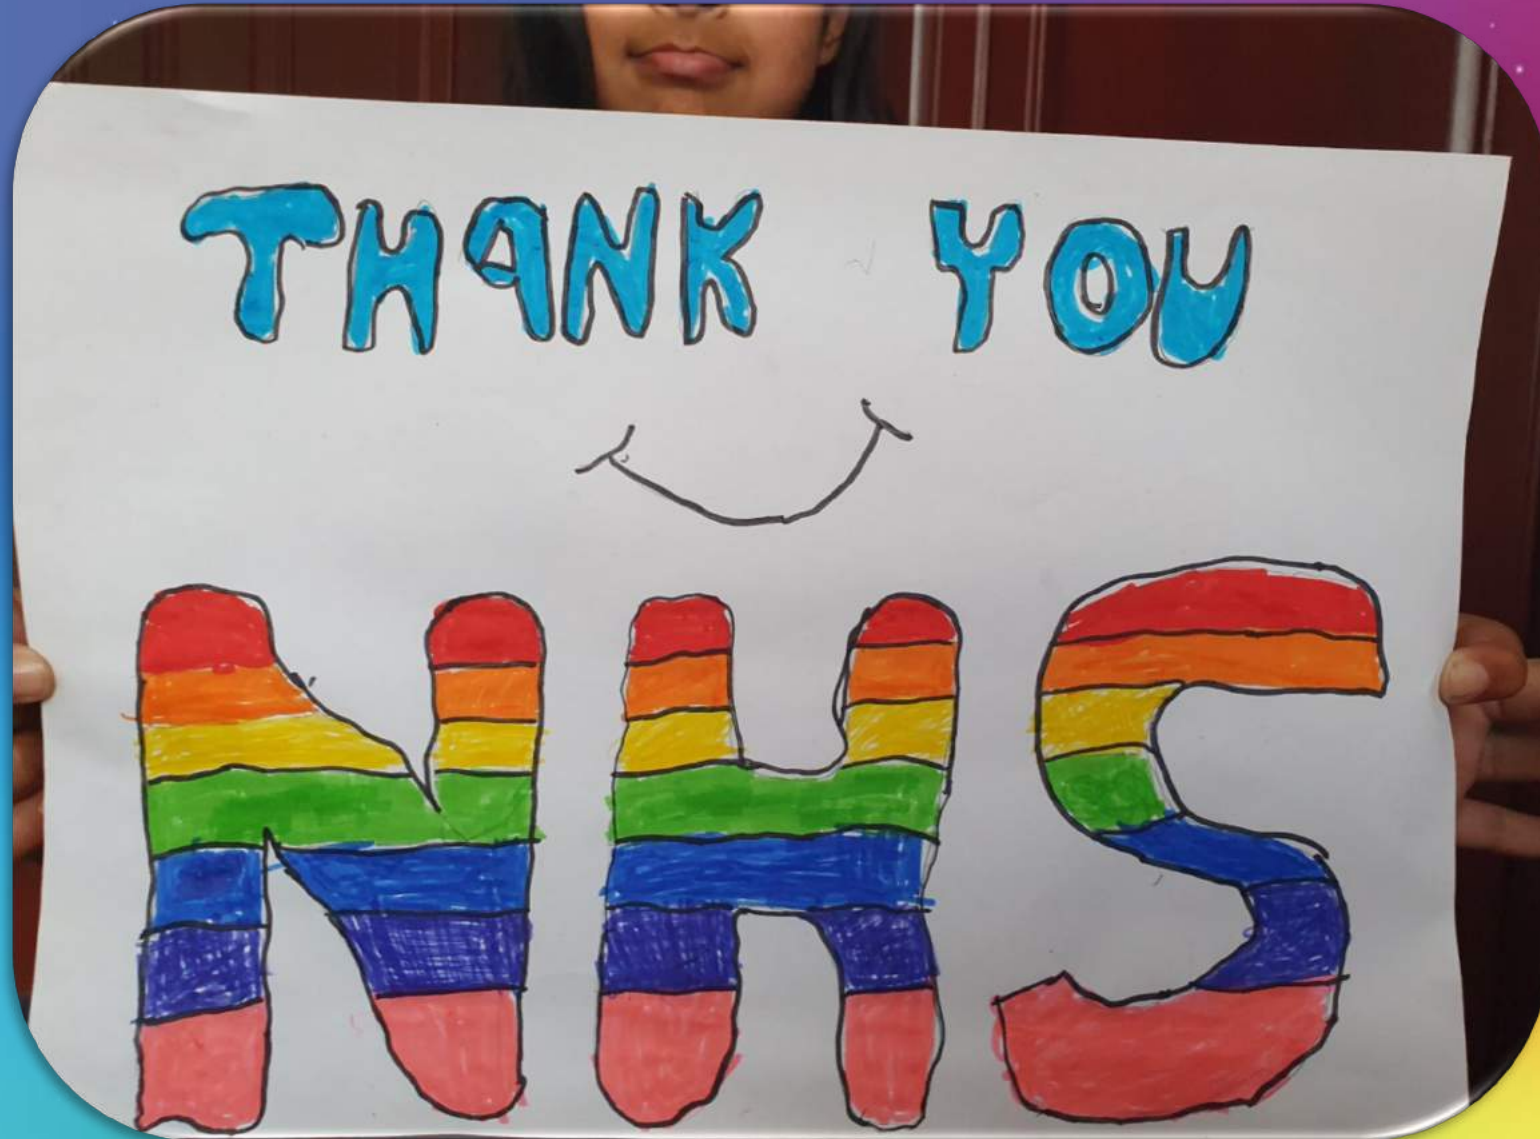

Nurses and doctors are working days and

Hospitals are now filled with sick

So please save lives.
