

At Becontree, we recognise that learning to read is the **greatest super power** you can have!

Hooked on Books is a reward for children who demonstrate the following reading behaviours:

- They talk about books
- They share their enthusiasm for books and authors
 - They work hard to improve on their reading

Each week the teachers select a winner and the winner receives a book prize and certificate.

On the next few slides, you will see this week's winners.
