

Dear Children

I have had so much fun visiting your school this Christmas! You have done a great job in finding the clues I have left behind.... but you haven't caught me YET!

Check the piece of white paper that's on the wrapping paper blocking your classroom door for a clue!

To help you read the clue, there is something you'll need. Here's a clue for where to find it...

Good Luck! I'm watching you and waiting for you to find me.

The Naughty Elf
