

Dog-man is a really good book but today I'm going to show you

Dog Man
And Cat Kid

If you get the chance, buy a dog man book. They're really funny :P

About this book

This book is outstanding how funny it is but don't get too into it because you're gonna finish this too quick but this book you need to buy this 100%

This book is about a dog and a man that was caught in an explosion and the man's head was damaged and the dog's body was damaged so this lady comes in and says let's put the dog's body on the human body and so Dog Man was born. Here is a sneak peak
