My Witch's Story

One dark night, I was flying to a
Witch Party with my white cat.
I wore a red dress and black boots ✓

21.4.26 I had to fly through the spooky
forest that has a dirty swamp, tall
towering trees and large green leaves.

I felt so excited to go to the fun
with Party. Me and the other
witches ^{will swap} swapped positions and danced
all night. ✓

22.4.26 Whilst flying in the spooky forest, it
got ^{very} windy ~~and~~ and stormy. All of

the sudden, My broomstick started to wobble and become wobbly and then it broke in half. I could hear some strange ^{noises} and then I became extremely fitful. ✓

17.4.26 As I went deeper into the spooky forest, the terrifying sounds became louder and louder. I went to explore ^{where} the strange sounds were coming from and then I heard ^{an enormous} ~~an enormous~~ thud. ✓

28.4.28 I used my dark blue and red ^{wand} ~~wand~~ to send a signal for my other witch friends to rescue me. My witch friends came to save me and my white cat. ^B Before we knew it we all jumped because we ^{heard} another large thud. We all tiptoeed to check it out and it ^{appeared} to be a blue and fat frog. I used my wand to turn the frog into juice. My witch friends ^{cackled} ~~cackled~~. ✓

28.4.28 Me and my friends flew to the

Exciting party on our colorful
pops sticks. We ate eye ball soup and
slimy frog soup. Finally, we ~~also~~
danced to groovy music and
watched an ~~extremely~~ terrifying
movie to end the eventful night.
