

You didn't think we had really
gone for good, did you?

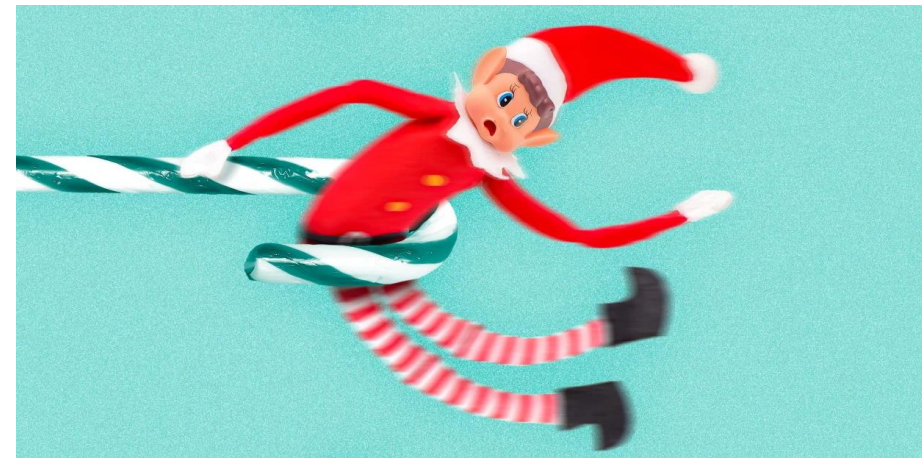

***Not even The
Grinch could
keep us
away...***

*He took us to
Whoville and
we had such
great fun...*

But when no-one was looking, away we did (ski, fly, slide and)run!

***So here we
are, back at
Becontree ...***

***You won't
believe what
you're about to
see!***
