

Naughty Elves Spotted in
Nursery!

When the Nursery teachers walked into Nursery this morning, we saw that our Library area had been trashed!

We then looked at the sofa and saw that the Elves had tied up our Snowmen. "Oh no"!!!
The Elves were fast asleep.

When the Elves saw us they quickly used the lights
to climb out the window.
They ran really quick!

The Nursery Teachers ran after them but they got away!

Please keep your eyes open for these naughty elves. They may be somewhere in the KS1 playground. 🙄🙄
