

Naughty Elves Spotted in Mrs Stock's Office

I can't believe that those naughty elves got up to more mischief over the weekend.

Just take a look at what I saw on the cameras when I arrived at work this morning!

They are very clever these elves, They made a zip line to get into my office and they had some friends watching them.

They used the zip line to move across my office so they didn't set off the school alarm.

They looked like they had so much fun with their friends.

They watched YouTube!

And played UNO

Six.... Seven!!!!

They then disappeared via the zip line out of the window heading towards the playground.

Please keep an eye out for them.

They seem to be accessing all parts of the school.
