Mrs Ziane and The Big Elf!

Mrs Ziane had enough of all the trouble caused by the naughty elves. She arranged a meeting with The Big Elf to see what could be done.

Some you saw the video in the assembly but you can ask your teacher to find it in...

Last night, Mrs Elf wandered around the school until she finally caught the elves.

They were just about to cause more trouble in the first aid room.

She handed them to me, and I quickly wrapped them up, ready to mail to the North Pole.

Once they were safely wrapped up, I found a note they had written...

Goodbye

Thank you for having us, but now we must go,
We live in the pole, so must go back to the snow.
We hope you've enjoyed, the games and the fun,
And all the excitement that Christmas has come.
Please do not cry, or shed but a tear,
We hope we can do it all again next year,
For now, do your best and take care of yourselves.
We wish you the very best from your friends, the elves!
