Summer A 2026

Welcome to Becontree Nursery!

The theme of learning this half term will be **Minibeasts**. Throughout the term, the children will be learning about different minibeasts, including what they look like, how they move and where we can go to find them.

An overview of planning for this half term is available on the school website under the 'What We Do' section. This sets out all the subjects and learning that children will be doing every week.

Nursery Expectations and Arrangements

Volunteers for school trips: If you would like to volunteer to support with school trips this year, please contact the school office who will arrange and pay for a DBS check. Please ensure that you do this as soon as possible as it can take a number of weeks to receive a certificate.

Colder Weather: whilst the weather is still cold, please remember that all children need a warm coat for nursery. Hats, scarves and gloves may also be needed, but please support your child to put these on independently. **ALL belongings must be clearly labelled with your child's name.**

Book bags: After half term, children will begin taking a book home every Monday. Children must bring in their book bag with their book and reading record inside for us to give them a new book. Please remember to leave a comment in the reading record to show you have shared the book together. Bookbags can be purchased from the Khalsa shop or via the link below:
